**PROCEEDS WILL BE USED TO DEVELOP  
THE KEVIN J. BURNS ENDOWMENT FUND**

Since 1986, Action Wellness (formally ActionAIDS) has been dedicated to providing medical case management and other services to people living with HIV in Philadelphia. In our first year of service, we helped over 100 people with AIDS. Since then, thanks to volunteers, staff, and donors, ActionAIDS grew to become one of Pennsylvania's largest AIDS service organizations. In June 2016, ActionAIDS expanded and rebranded so that it could bring the same quality of medical case management and expertise to people living with chronic illnesses in addition to HIV. Today, Action Wellness continues the ActionAIDS legacy by providing steadfast support to over 4,000 people living with HIV and chronic illnesses. We have over 400 dedicated volunteers and over 100 professional staff who help us to build a strong, diverse and committed community of caring to make sure that no one faces their illness alone.
